What is NAAG?
The National Association of Attorneys General (NAAG) serves as the national forum for the 56 state and territory attorneys general and their staff to collaboratively and effectively address issues important to their work and provides resources to support the work of the offices of attorneys general in protecting the Rule of Law and the United States Constitution.

What is NAGTRI?
The National Attorneys General Training and Research Institute (NAGTRI) is the training and research arm of NAAG providing high quality, responsive, and innovative training and research on a variety of legal topics to state and territory attorneys general offices.

Visiting Fellow Information
NAGTRI continually seeks qualified recent law school graduates for our Visiting Fellow program. NAGTRI does not provide funding, so Fellows must receive funding from their law school’s “Bridge to Practice” program, Public Interest Fellowship or the equivalent. Fellows are expected to begin their fellowship by September 15, 2020, and must commit to a minimum of six months though a 12 month commitment is preferred.

We welcome 3L students and recent law school graduates (in the past 12 months) to apply or contact us for additional information. Fellows should be proficient in LexisNexis and Microsoft Office.

• CLE course research and development
• Attend meetings with federal agency staff, congressional staff, and international organizations
