Fighting Domestic Minor Sex Trafficking

WHAT IS STREET GRACE?

Street Grace is a faith-based organization leading communities, organizations, and volunteers on a comprehensive path to end Domestic Minor Sex Trafficking (DMST) throughout the United States.
WHAT IS DMST?

Domestic Minor Sex Trafficking

Sexual activity in which there is a promise of the exchange of something of value to a child or another person(s) for sex with that child.

The Victim

A child who has received food, drugs, money, shelter or any other collateral in exchange for sexual activity (GOCF).
COLLABORATION

Our job is to end DMST by supporting those individuals and organizations who provide direct oversight to our children by:

• Supporting legislation
• Working with law enforcement
• Creating programs for schools
• Engaging corporations
• Providing the Not Buying It program for Attorneys General
WE ARE NO LONGER “BUYING” THE EXCUSES.

Instead, we have created a cost-effective strategic crime reduction initiative through public-private partnerships to:

• Change the way society views DMST;
• Educate the community at large; and
• Provide training to law enforcement.
The goal is to encourage all 50 states to get involved so, together, in partnership with law enforcement, we can:

1. Aggressively pursue and prosecute those who purchase sex illegally;
2. Promote training for mandated reporters so they can effectively recognize, report and support victims of sex trafficking; and
3. Incentivize businesses and civic organizations to engage in the fight to end sex trafficking.
WHY NOT BUYING IT?

Illegal sex buyers, including those who prefer young people, are 70% less likely to transact again after being arrested.
MULTI-FRONT ATTACK

JUSTICE

prison for high-frequency buyers of young people and those who prey on children

DETERRENCE

scare the men who still have a conscience away from a life of buying young people

PREVENTION

men believe there is a very real chance of arrest when trying to buy a young person
NOT BUYING IT SO FAR

• The program was launched in 2013 in Georgia.
• 5 cities have signed the pledge in Georgia.
• Other states have joined including Indiana and Arizona.
