FINAL CONSENT JUDGMENT

Plaintiff, State of New York, by its Attorney General, Eliot Spitzer (the "State"), and defendants Saint Francis Hospital ("St. Francis"), Vassar Brothers Hospital ("Vassar Brothers"), and Mid-Hudson Health ("Mid-Hudson"), by their respective attorneys, filed cross-motions for summary judgment. The Court rendered its Opinion and Order dated April 10, 2000, denying defendants' motion for summary judgment and granting the State's motion for summary judgment on the issue of defendants' liability ("Opinion and Order"). Defendants filed a motion dated April 24, 2000, and a reply to reconsider the terms of the Opinion and Order, which the

State opposed. The State and the defendants have consented to entry of this Final Consent Judgment without a determination of the motion to reconsider, remedy proceedings, a trial or final adjudication of any issue of fact or law, or an appeal. This Final Consent Judgment shall not be evidence against or an admission by any party of any issue of fact or law, nor a determination that any violation of law has occurred. Therefore, before the taking of any trial testimony and without trial of any issue of fact or law, and upon the consent of the parties, it is
