Plaintiffs, the United States of America and the State of Florida, having filed their Verified Complaint on May 5, 1994, and Plaintiffs and Morton Plant Health System, Inc. and Trustees of Mease Hospital, Inc., by their respective attorneys, having consented to the entry of this Final Consent Judgment without trial or adjudication of any issue of fact or law, and without this Final Consent Judgment constituting evidence against or admission by any party with respect to any issue of fact or law;

### III.

#### APPLICABILITY

This Final Consent Judgment applies to Morton Plant and Mease, to the Partnership created by them, to Morton Plant's and to Mease's officers, directors, trustees, administrators, agents, employees, successors and assigns and to all other persons in active concert or participation with any of them who receive actual notice of this Final Consent Judgment pursuant to F.R.C.P. 65(d).

IV.

PROHIBITED CONDUCT

Morton Plant and Mease shall not consummate their agreement to consolidate as set forth in their Letter of Intent, dated October 19, 1993, or any other agreement to merge, consolidate, or combine, except in accordance with the terms of this Final Consent Judgment.

V.

BONA FIDE PARTNERSHIP

Morton Plant and Mease may enter into a Partnership in which they consolidate and jointly operate certain patient care services and administrative services under the following conditions:

(A) Morton Plant and Mease may agree to consolidate and jointly operate any Eligible Partnership Patient Care Services and any Eligible Partnership Administrative Services.

(B) The Partnership may own and operate any Eligible

Partnership Patient Care Service and any Eligible Partnership Administrative Service and may provide such service to Morton Plant and Mease. The Partnership shall sell each service to Morton Plant and Mease on the same terms and conditions in an amount equal to cost. The Partnership shall conduct an annual cost accounting.

(C) Morton Plant and Mease may appoint members to a Partnership board, which individuals may be members of each hospital's board. Executives at Morton Plant and Mease may also serve as executives of the Partnership and on the boards of their respective hospitals and of the Partnership. The Partnership board will govern the services provided by the Partnership. The Partnership board and its executives may not discuss Independent Services, managed care contracting for Morton Plant or Mease, or the marketing or pricing of any services, including Eligible Partnership Patient Care Services or Eligible Partnership Administrative Services, with the following exception: the Partnership may market and price those services set out in Paragraph II(A)(10) as long as Morton Plant and Mease continue their present practice of providing their patients and physicians with information on other providers of these services in the market. The Partnership board may request Morton Plant and Mease to contribute capital to the Partnership, but each hospital shall exercise its own independent judgment on how much capital to contribute.

(D) Morton Plant and Mease shall provide plaintiffs with

written notification of their intent to consolidate and jointly operate any additional or new services (such as pediatrics and neonatal level II services) through the Partnership under the terms of this Final Consent Judgment. Morton Plant and Mease shall also provide any information reasonably necessary for plaintiffs to assess the competitive impact of adding such services to the Partnership. Morton Plant and Mease may consolidate and jointly operate the additional or new services unless either plaintiff provides a written objection within 120 days of receiving the necessary information. Notwithstanding the foregoing, Morton Plant and Mease may jointly operate through the Partnership any new service not currently provided by Morton Plant or Mease by providing plaintiffs with at least 90-days' notice, so long as the new service is a specialized inpatient procedure commonly recognized in the medical community as "tertiary" or higher, and is performed only by physician subspecialists with specialized support staff and expensive equipment.

(E) Morton Plant may lend or grant Mease up to \$21 million for Mease's planned expansion under terms preventing Morton Plant from obtaining any control or leverage over Mease's management or operations.

(F) Morton Plant, Mease and the Partnership may become obligated parties, guarantors or co-makers on debt instruments and the assets of Morton Plant, Mease and the Partnership may be pledged as security for such debt instruments so long as all such

obligations are approved separately by Morton Plant and Mease. Neither Morton Plant nor Mease shall unreasonably withhold consent to, impose conditions on, or attempt to influence the use of funds obtained by the other hospital through such financing for Independent Services. In the event that Morton Plant or Mease believes the other has unreasonably withheld such consent, the matter shall be submitted to binding arbitration under the American Arbitration Association Rules.

(G) Nothing in this Final Consent Judgment is intended to prevent Morton Plant, Mease and/or the Partnership from participating in lawful integrated delivery networks such as accountable health partnerships, physician organizations and physician networks of their medical staff; provided that participation decisions shall be made independently by Morton Plant, Mease and the Partnership.

(H) In the event that federal or state legislation enacted subsequent to the entry of the Final Consent Judgment permits conduct prohibited by this Judgment, Morton Plant and Mease may move for and plaintiffs will reasonably consider an appropriate modification of the Final Consent Judgment. This provision in no way limits Morton Plant's or Mease's right to seek any modification of this Final Consent Judgment.

(I) The Partnership shall establish adequate protections to

keep information concerning pricing, managed care contracts, negotiations with managed care plans, and marketing and planning or Morton Plant and Mease separate and to insure that the information of one hospital is not transmitted to or received by the other hospital directly or indirectly. Adequate protections shall include, at a minimum, confidentiality agreements for employees with access to such information and protocols for preparation of separate reports for Morton Plant, Mease, and the Partnership.

(J) The Partnership may make any lawful acquisition of physician practices. However, in the event that a practice is acquired that admits patients to either hospital for Independent Services, Morton Plant and Mease shall allow each such physician to determine in his or her sole discretion to which hospital to admit such patients.

## VI.

### INDEPENDENT ACTIVITIES

(A) Morton Plant and Mease shall continue as separate and competing corporate entities, with separate Boards of Trustees and executive management, and shall separately own and operate their respective Independent Services. Marketing, pricing, and managed care negotiating and contracting decisions shall remain Independent Services to be considered only in each hospital board's respective meeting. Each board shall adhere to a separate agenda and will record such meeting in separate minutes.

(B) Morton Plant and Mease shall each price and sell its services, both those owned and operated separately and those purchased from the Partnership, in active competition with each other. Morton Plant and Mease shall each exercise its own independent judgment on how to market and price its patient care services and shall not discuss, communicate, or exchange with each other or any other hospital information relating to the marketing, pricing, negotiating, or contracting of any patient care service, including those purchased from the Partnership.

(C) Morton Plant or Mease shall be free to offer any patient care service or administrative service provided through the Partnership independently and in competition with any other provider and may end its provision of any such service through the Partnership.

(D) Morton Plant and Mease shall negotiate and contract independently with health care purchasers such as Managed Care Plans. Morton Plant and Mease may contract with the same Managed Care Plan or any other health care purchaser so long as they do so independently; provided, that Morton Plant and Mease may independently enter into similar but separate contracts with the same Managed Care Plan.

## VII.

### COMPLIANCE PROGRAM

Morton Plant and Mease shall maintain an antitrust compliance program, which shall include:

(A) distributing within 60 days from the entry of this Final Consent Judgment, a copy of the Final Consent Judgment and Competitive Impact Statement to all officers, directors, trustees and administrators;

(B) distributing in a timely manner a copy of the Final Consent Judgment and Competitive Impact Statement to any person who succeeds to a position described in Paragraph VII(A);

(E) maintaining for inspection by plaintiffs a record of recipients to whom this Final Consent Judgment and Competitive Impact Statement have been distributed.

#### VIII.

(A) Within 75 days after the entry of this Final Consent Judgment, Morton Plant and Mease shall each certify to plaintiffs whether it has made the distribution of this Final Consent Judgment in accordance with Paragraph VII(A) above.

(B) For five years after the entry of this Final Consent Judgment, on or before its anniversary date, Morton Plant and Mease shall each certify annually to plaintiffs whether it has complied with the provisions of Paragraph VII.

IX.

PLAINTIFFS' ACCESS

For the sole purpose of determining or securing compliance with this Final Consent Judgment, and subject to any recognized privilege, authorized representatives of the United States Department of Justice or the Office of the Attorney General, State of Florida, upon written request of the Assistant Attorney General in charge of the Antitrust Division or the Attorney General of the State of Florida, respectively, shall on reasonable notice be permitted:

- (B) to interview Morton Plant and Mease officers, directors, trustees, administrators, and employers, who may have counsel present, concerning such matters; and

(C) to obtain written reports from Morton Plant and Mease relating to any of the matters contained in the Final Consent Judgment.

X.

JURISDICTION RETAINED

Jurisdiction is retained by this Court for the purpose of enabling any of the parties to this Final Consent Judgment to apply to this Court at any time for further orders and directions as may be necessary or appropriate to carry out or construe this Final Consent Judgment, to modify or terminate any of its provisions, to enforce compliance, and to punish violations of its provisions.

XI.

EXPIRATION OF FINAL CONSENT JUDGMENT

This Final Consent Judgment shall expire 5 years from the date of entry; provided that, before the expiration of this Final Consent Judgment, either plaintiff, after consultation with Morton Plant and Mease and in each plaintiff's sole discretion, may extend the Judgment for an additional five years.

UNITED STATES' EXPLANATION  
OF CONSENT DECREE PROCEDURES

The United States files this memorandum to set forth the procedures regarding entry of the proposed Final Consent Judgment, pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)-(h) (the "APPA"). The APPA applies only to antitrust cases brought by the United States. (The Final Consent Judgment would settle the entire case.)

1. Today, the United States and State of Florida are filing a proposed Final Consent Judgment and a Stipulation between the plaintiffs and defendants in which all parties agree to entry of the proposed Final Consent Judgment.

2. Next week, the United States will file a Competitive Impact Statement relating to the proposed Final Consent Judgment pursuant to the APPA, 15 U.S.C. § 16(b).

3. The APPA, 15 U.S.C. § 16(b)-(c), requires the United States to publish the proposed Final Consent Judgment and

Competitive Impact Statement in the Federal Register and in newspapers 60 days prior to entry of the Final Consent Judgment. The notice will also inform members of the public that they may submit comments about the judgment to the United States Department of Justice, Antitrust Division.

4. The United States will consider any comments it receives and respond to them and publish the comments and responses in the Federal Register.

5. Pursuant to the APPA, 15 U.S.C. § 16(d), at the expiration of the 60-day period, the United States will file with the Court the comments, our responses, and a Motion For Entry of the Final Consent Judgment (unless either plaintiff withdraws its consent to entry of the Final Consent Judgment, as stated in paragraph 2 of the Stipulation filed today).

6. At that time, pursuant to the APPA, 15 U.S.C. § 16(e)-(f), the Final Consent Judgment may be entered without further hearing, if the Court determines that entry is in the public interest.
