PROPOSED FINAL JUDGMENT

WHEREAS, plaintiffs, the United States of America, the State of California, the Commonwealth of Kentucky, the State of Michigan, the State of North Carolina, the State of Ohio, the Commonwealth of Pennsylvania, and the State of Texas, filed their Complaint on December 3, 2008; the plaintiffs and defendants, Republic Services, Inc. and Allied Waste Industries, Inc., by their respective attorneys, have consented to the entry of this Final Judgment without trial or adjudication of any issue of fact or law; and without this Final Judgment constituting any evidence against or admission by any party regarding any issue of law or fact;

AND WHEREAS, defendants agree to be bound by the provisions of this Final Judgment pending its approval by the Court;

AND WHEREAS, the essence of this Final Judgment is the prompt and certain divestiture of the Divestiture Assets to assure that competition is not substantially lessened;

AND WHEREAS, the United States requires defendants to make certain divestitures for the purpose of remedying the loss of competition alleged in the Complaint;

AND WHEREAS, defendants have represented to the United States that the divestitures required below can and will be made, and that defendants will later raise no claim of hardship or difficulty as grounds for asking the Court to modify any of the divestiture provisions contained below;

NOW, THEREFORE, before any testimony is taken, without trial or adjudication of any issue of fact or law, and upon consent of the parties, it is hereby ORDERED, ADJUDGED, AND DECREED:

I. Jurisdiction

III. Applicability

A. This Final Judgment applies to Republic and Allied, as defined above, and all other persons in active concert or participation with any of them who receive actual notice of this Final Judgment by personal service or otherwise.

B. If, prior to complying with Sections IV and V of this Final Judgment, defendants sell or otherwise dispose of all or substantially all of their assets or of lesser business units that include the defendants' Divestiture Assets, they shall require the purchaser to be bound by the provisions of this Final Judgment. Defendants need not obtain such an agreement from the Acquirer of the assets divested pursuant to this Final Judgment.

IV. Divestitures

A. Defendants are ordered and directed, within 90 calendar days after the filing of the Complaint in this matter, or five (5) calendar days after notice of the entry of this Final Judgment by the Court, whichever is later, to divest all Divestiture Assets in a manner consistent with this Final Judgment to an Acquirer(s) acceptable to the United States in its sole discretion, after consultation with the Relevant State. With respect to the Atlanta, Georgia; Cleveland, Ohio; Philadelphia, Pennsylvania; and Ft. Worth, Texas areas, the Divestiture Assets in each area must be offered for sale to prospective Acquirers separately from Divestiture Assets in other areas. All of the Divestiture Assets serving any single relevant area shall be sold to the same Acquirer, unless defendants receive the prior written consent of the United States. The United States, in its sole discretion, after consultation with the Relevant State, may agree to one or more extensions of this time period not to exceed sixty (60) calendar days in total, and shall notify the Court in such circumstances. Defendants agree to use their best efforts to divest the Divestiture Assets as expeditiously as possible.

B. In accomplishing the divestitures ordered by this Final Judgment, defendants promptly shall make known, by usual and customary means, the availability of the Divestiture Assets. Defendants shall inform any person making inquiry regarding a possible purchase of the

Divestiture Assets that they are being divested pursuant to this Final Judgment and provide that person with a copy of this Final Judgment. Defendants shall offer to furnish to all prospective Acquirers, subject to customary confidentiality assurances, all information and documents relating to the Divestiture Assets customarily provided in a due diligence process except such information or documents subject to the attorney-client privilege or work-product doctrine. Defendants shall make available such information to the United States at the same time that such information is made available to any other person.

C. Defendants shall provide the Acquirer(s) and the United States information relating to all personnel involved in the operation and management of the Divestiture Assets to enable the Acquirer(s) to make offers of employment. Defendants shall not interfere with any negotiations by the Acquirer(s) to employ or contract with any defendant employee whose primary responsibility is the operation or management of the Divestiture Assets.

D. Defendants shall permit prospective Acquirers of the Divestiture Assets to have reasonable access to personnel and to make inspections of the physical facilities of the Divestiture Assets; access to any and all environmental, zoning, and other permit documents and information; and access to any and all financial, operational or other documents and information customarily provided as part of a due diligence process.

E. Defendants shall warrant to the Acquirer(s) that each asset will be operational on the date of sale.

F. In the event that the Turkey Creek Landfill is not, for any reason, fully operational and capable of disposing of at least 675,000 tons of MSW annually at the time of its divestiture, defendants shall be required to divest alternative disposal assets in the Fort Worth, Texas area that

are sufficient to achieve the purposes of this Final Judgment to the satisfaction of the United States, in its sole discretion, after consultation with the State of Texas.

G. Defendants shall not take any action that will impede in any way the permitting, operation or divestiture of the Divestiture Assets.

H. Defendants shall warrant to each Acquirer that there are no material defects in the environmental, zoning or other permits pertaining to the operation of the Divestiture Assets, and that following the sale of the Divestiture Assets, defendants will not undertake, directly or indirectly, any challenges to the environmental, zoning, or other permits relating to the operation of the Divestiture Assets.

I. Unless the United States, after consultation with the Relevant State, otherwise consents in writing, the divestitures pursuant to Section IV, or by trustee appointed pursuant to Section V, of this Final Judgment, shall include all the Divestiture Assets, and shall be accomplished in such a way as to satisfy the United States, in its sole discretion, after consultation with the Relevant State, that the divestiture will achieve the purposes of this Final Judgment and that the Divestiture Assets can and will be used by an Acquirer(s) as part of a viable, ongoing disposal or hauling business in each relevant area. The divestitures, whether pursuant to Section IV or Section V of this Final Judgment:

- (1) shall be made to an Acquirer(s) that, in the United States's sole judgment, after consultation with the Relevant State, has the intent and capability (including the necessary managerial, operational, technical and financial capability) of competing effectively in the disposal or hauling business; and

(2) shall be accomplished so as to satisfy the United States, in its sole discretion, after consultation with the Relevant State, that none of the terms of any agreement between an Acquirer(s) and defendants gives defendants the ability unreasonably to raise the Acquirer's costs, to lower the Acquirer's efficiency, or otherwise to interfere in the ability of the Acquirer to compete effectively.

V. Appointment of Trustee

A. If defendants have not divested the Divestiture Assets within the time period specified in Section IV, Paragraph A, defendants shall notify the United States of that fact in writing. Upon application of the United States, the Court shall appoint a trustee selected by the United States and approved by the Court to effect the divestiture of the Divestiture Assets.

B. After the appointment of a trustee becomes effective, only the trustee shall have the right to sell the Divestiture Assets. The trustee shall have the power and authority to accomplish the divestitures to an Acquirer(s) acceptable to the United States, after consultation with the Relevant State, at such price and on such terms as are then obtainable upon reasonable effort by the trustee, subject to the provisions of Sections IV, V and VI of this Final Judgment, and shall have such other powers as this Court deems appropriate. Subject to Section V, Paragraph D of this Final Judgment, the trustee may hire at the defendants' cost and expense any investment bankers, attorneys, or other agents, who shall be solely accountable to the trustee, reasonably necessary in the trustee's judgment to assist in the divestitures.

C. Defendants shall not object to a sale by the trustee on any ground other than the trustee's malfeasance. Any objection by defendants on the ground of the trustee's malfeasance

must be conveyed in writing to the United States and the trustee within ten (10) calendar days after the trustee has provided the notice required under Section VI.

D. The trustee shall serve at the cost and expense of defendants, on such terms and conditions as the United States approves, and shall account for all monies derived from the sale of the assets sold by the trustee and all costs and expenses so incurred. After approval by the Court of the trustee's accounting, including fees for its services and those of any professionals and agents retained by the trustee, all remaining money shall be paid to defendants and the trust shall then be terminated. The compensation of the trustee and any professionals and agents retained by the trustee shall be reasonable in light of the value of the Divestiture Assets and based on a fee arrangement providing the trustee with an incentive based on the price and terms of the divestitures and the speed with which they are accomplished, but timeliness is paramount.

E. Defendants shall use their best efforts to assist the trustee in accomplishing the required divestitures. The trustee and any consultants, accountants, attorneys, and other persons retained by the trustee shall have full and complete access to the personnel, books, records, and facilities of the business to be divested, and defendants shall develop financial and other information relevant to such business as the trustee may reasonably request, subject to reasonable protection for trade secret or other confidential research, development, or commercial information. Defendants shall take no action to interfere with or to impede the trustee's accomplishment of the divestitures.

F. After its appointment, the trustee shall file monthly reports with the United States, the Relevant State, and the Court setting forth the trustee's efforts to accomplish the divestitures ordered under this Final Judgment. To the extent such reports contain information that the trustee

deems confidential, such reports shall not be filed in the public docket of the Court. Such reports shall include the name, address, and telephone number of each person who, during the preceding month, made an offer to acquire, expressed an interest in acquiring, entered into negotiations to acquire, or was contacted or made an inquiry about acquiring, any interest in the Divestiture Assets, and shall describe in detail each contact with any such person. The trustee shall maintain full records of all efforts made to divest the Divestiture Assets.

G. If the trustee has not accomplished the divestitures ordered under this Final Judgment within six (6) months after its appointment, the trustee shall promptly file with the Court a report setting forth: (1) the trustee's efforts to accomplish the required divestitures; (2) the reasons, in the trustee's judgment, why the required divestitures have not been accomplished; and (3) the trustee's recommendations. To the extent such reports contain information that the trustee deems confidential, such reports shall not be filed in the public docket of the Court. The trustee shall at the same time furnish such report to the United States, which shall have the right to make additional recommendations consistent with the purpose of the trust. The Court thereafter shall enter such orders as it shall deem appropriate to carry out the purpose of the Final Judgment, which may, if necessary, include extending the trust and the term of the trustee's appointment by a period requested by the United States.

VI. Notice of Proposed Divestiture

A. Within two (2) business days following execution of a definitive divestiture agreement, defendants or the trustee, whichever is then responsible for effecting the divestiture required herein, shall notify the United States and the Relevant State of any proposed divestiture required by Section IV or V of this Final Judgment. If the trustee is responsible, it shall similarly

notify defendants. The notice shall set forth the details of the proposed divestiture and list the name, address, and telephone number of each person not previously identified who offered or expressed an interest in or desire to acquire any ownership interest in the Divestiture Assets, together with full details of the same.

B. Within fifteen (15) calendar days of receipt by the United States and the Relevant State of such notice, the United States, in its sole discretion, after consultation with the Relevant State, may request from defendants, the proposed Acquirer(s), any other third party, or the trustee, if applicable, additional information concerning the proposed divestiture, the proposed Acquirer, and any other potential Acquirer. Defendants and the trustee shall furnish any additional information requested within fifteen (15) calendar days of the receipt of the request, unless the parties shall otherwise agree.

C. Within thirty (30) calendar days after receipt of the notice or within twenty (20) calendar days after the United States has been provided the additional information requested from defendants, the proposed Acquirer(s), any third party, and the trustee, whichever is later, the United States, in its sole discretion, after consultation with the Relevant State, shall provide written notice to defendants and the trustee, if there is one, stating whether or not it objects to the proposed divestiture. If the United States provides written notice that it does not object, the divestiture may be consummated, subject only to defendants' limited right to object to the sale under Section V, Paragraph C of this Final Judgment. Absent written notice that the United States does not object to the proposed Acquirer(s) or upon objection by the United States, a divestiture proposed under Section IV or Section V shall not be consummated. Upon objection by

defendants under Section V, Paragraph C, a divestiture proposed under Section V shall not be consummated unless approved by the Court.

VII. Notice of Future Acquisitions

Unless such transaction is otherwise subject to the reporting and waiting period requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, 15 U.S.C. § 18a (the "HSR Act"), defendants, without providing advance notification to United States and the Relevant State, shall not directly or indirectly acquire, any (1) interest in any business engaged in a relevant service in a relevant area, (2) assets (other than in the ordinary course of business) used in a relevant service in a relevant area, (3) capital stock, or (4) voting securities of any person that, at any time during the twelve (12) months immediately preceding such acquisition, was engaged in MSW disposal or small container commercial waste collection in any relevant area, where that person's annual revenues in the relevant area from MSW disposal and/or small container commercial waste collection service were in excess of \$500,000 annually. For clarity, this provision also applies to an acquisition of disposal facilities that serve a relevant area but are located outside the relevant area, whether or not they are physically located in the relevant area.

Such notification shall be provided to the United States in the same format as, and per the instructions relating to the Notification and Report Form set forth in the Appendix to Part 803 of Title 16 of the Code of Federal Regulations as amended, except that the information requested in Items 5 through 8 of the instructions must be provided only about the relevant service. Notification shall be provided at least thirty (30) calendar days prior to acquiring any such interest, and shall include, beyond what may be required by the applicable instructions, the names

of the principal representatives of the parties to the agreement who negotiated the agreement, and any management or strategic plans discussing the proposed transaction. If within the 30-day period after notification, representatives of the Antitrust Division make a written request for additional information, defendants shall not consummate the proposed transaction or agreement until thirty (30) calendar days after submitting all such additional information. Early termination of the waiting periods in this paragraph may be requested and, where appropriate, granted in the same manner as is applicable under the requirements and provisions of the HSR Act and rules promulgated thereunder. This Section shall be broadly construed and any ambiguity or uncertainty regarding the filing of notice under this Section shall be resolved in favor of filing notice.
