22 begins selling, offering for sale, or distributing the Subject Drug Product.

23 21. "Subject Drug Product" means the Drug Product for which one or more Patent Claims
24 are settled under a Brand/Generic Settlement. For purposes of this Order, the Drug Product of the

26 be the same Subject Drug Product.

22. "U.S. Patent" means any patent issued by the United States Patent and Trademark Office, including all divisions, reissues, continuations, continuations-in part, modifications, or extensions thereof.

23. "States Enforcement Council" means counsel for the States of California, Minnesota, Mississippi and any other State whose status as States Enforcement Council has been established per this Agreement.

II. PROHIBITED AGREEMENTS

A. From the date Teikoku signs this ASO, Teikoku individually and collectively, are prohibited from entering into any Brand/Generic Settlement that includes both: (1) Payment by the NDA Holder to the Generic Filer; and (2) an agreement by the Generic Filer not to research, develop, manufacture, market, or sell the Subject Drug Product or any other drug product for any period of time.

B. Nothing in this ASO shall preclude any State from challenging a future Brand/Generic Agreement under otherwise applicable law if such future Brand/Generic Agreement falls outside the scope of this ASO. Nothing in this ASO shall or can be utilized in any litigation or manner outside of any enforcement action brought under this ASO.

III. ENFORCEMENT AUTHORITY

A. The States Enforcement Council shall consist initially of the Attorney General of the State of California, the Attorney General of Louisiana, the Attorney General of Minnesota, the Attorney General of Mississippi (the original States Enforcement Council). Any other State that has provided Teikoku 30 days' notice of its desire to serve as a member of the States Enforcement Council shall become active members of the States Enforcement Council upon the expiration of the 30-day notice period. The States that are party to this ASO shall have exclusive authority to enforce this ASO as set forth herein, but only active members of the States Enforcement Council shall have authority to implement the Reporting Requirements set forth under Section IV of this ASO or the right to demand and receive Reports from Teikoku under this ASO.

B. The States Enforcement Council shall have the exclusive authority to implement the terms of this ASO by filing a complaint and request to enter the Stipulated Order for Injunctive

1 Relief described herein. The exclusive forum to file such a complaint and request or in which to
2 file any complaint, petition or other action to enforce the terms of this ASO shall be the United
3 States District Court for the Northern District of California (the "Court"). The States
4 Enforcement Council shall also have the exclusive authority to seek such orders as are necessary
5 from the Court to enforce this Stipulated Order, provided, however, that the States Enforcement
6 Council will provide notice of an alleged violation and an opportunity to cure alleged violations
7 to Teikoku as set forth below. Notwithstanding the foregoing, any action by the Teikoku to cure
8 any such violation shall not be a defense to enforcement with respect to any knowing, willful or
9 systematic violations of this ASO.

10 C. If any of the States Enforcement Council or any party State believes that a Teikoku
11 entity is not in compliance with the terms of this ASO, the States Enforcement Council shall give
12 Teikoku written notice of such alleged non-compliance. Teikoku shall have fifteen (15) working
13 days from the date of receipt to respond in writing to such notice unless the parties agree to a
14 longer period of time. If the States Enforcement Council is not satisfied with Teikoku's response,
15 it shall notify Teikoku in writing, and Teikoku shall have thirty (30) calendar days from the date
16 of receipt of the States' response to cure such non-compliance. If after such time, the States
17 Enforcement Council alleges that a Teikoku entity is still not in compliance, the States
18 Enforcement Council may seek enforcement, fees and costs thereof, and civil penalties as granted
19 by applicable state law. Nothing in this clause prohibits the States Enforcement Council from
20 pursuing immediate enforcement for potential noncompliance if delay would cause irreparable
21 harm or prevent the States Enforcement Council from adequately enforcing the ASO.

22 D. The Parties agree that the exclusive venue for enforcing this ASO or any disputes that
23 arise out of the interpretation of this ASO or the entry of the Stipulated Order for Injunctive
24 Relief shall be the United States District Court for the Northern District of California (the
25 "Court") and that no such action shall be brought in any other forum. The Parties agree to submit
26 to the jurisdiction of the Court to resolve such disputes and that the Court has the subject matter
27 to resolve them. The Parties further agree that venue to bring such action properly lies in the
28 Court.

1 E. To the extent the States Enforcement Council commences legal action to challenge a
2 Brand/Generic Settlement, any party State wishing to proceed as a member of the States
3 Enforcement Council as to that challenge must provide Teikoku with notice of its intention to do
4 so within 90 days of the commencement of such proceeding.

6 IV. REPORTING REQUIREMENTS

7 A. To determine and enforce compliance with this ASO, Teikoku shall submit to the
8 States Enforcement Council:

9 1) Copies of all agreements submitted to the Federal Trade Commission Bureau of
10 Competition and the Assistant Attorney General in charge of the Antitrust Division of the
11 Department of Justice pursuant to Section 1112 of the Medicare Prescription Drug, Improvement,
12 and Modernization Act of 2003 (the 2003 Act).

13 2) Copies of the written reports and additional documents required to be submitted to the
14 FTC under Section II of the FTC SO.

15 3) Along with each verified written report required under this section, Teikoku shall also
16 provide the States Enforcement Council a copy of any additional agreement with a party to a
17 Brand/Generic Settlement to which Teikoku is also a signatory if (i) the relevant Brand/Generic
18 Settlement Agreement includes an agreement by the Generic Filer not to research, develop,
19 manufacture, market or sell the Subject Drug Product for any period of time, and (ii) the relevant
20 additional agreement is entered within a year of executing the Brand/Generic Settlement
21 Agreement. For clarity, Teikoku need not submit such additional agreement to the extent such
22 agreement was submitted with a prior verified written report to the States Enforcement Council
23 pursuant to this ASO; this provision is intended to mirror the requirement set forth in the FTC
24 SO.

25 B. Any reports or notices required under this ASO shall be submitted to each active
26 member of the States Enforcement Council. Specific address information for Teikoku and for
27 each current member of the States Enforcement Council and all States that are party to this ASO
28

1 is attached hereto as Exhibit A. Teikoku may, at its option, provide notice to any State that is a
2 party to this ASO.

3 C. No agreements, information or documents produced by Teikoku pursuant to this ASO
4 shall be divulged by any party State to any person not an authorized representative or retained
5 consultant or expert of any party State as set forth above, with the following exceptions:

6 1) in the course of a legal proceeding regarding enforcement or modification of this ASO
7 provided all parties to such a proceeding take reasonable steps to protect the confidentiality of
8 documents or information that they may reasonably understand Teikoku considers confidential;

9 2) as otherwise required by law for the purpose of securing compliance with this ASO
10 provided Teikoku is given notice and a reasonable opportunity to preserve the confidentiality of
11 documents that might otherwise be disclosed;

12 3) in a legal proceeding to which a party State is a party, or as otherwise required by law
13 (other than a grand jury proceeding), provided the party State shall reasonably attempt to preserve
14 such confidentiality by proceeding under any applicable protective order and utilizing sealing
15 procedures provided by law or court rule and by providing reasonable advance notice to Teikoku
16 (a minimum ten business days) before disclosing Teikoku's confidential documents to a third
17 person.

18 4) to the Federal Trade Commission or the Department of Justice.

19 D. Neither the terms of this ASO nor any reports or notices provided by Teikoku under
20 this ASO shall operate as a waiver of any future claims by any party. Further, any such reports or
21 notices provided by Teikoku to active members of the States Enforcement Council or to other
22 States that are parties to this ASO shall not be deemed to constitute actual or constructive notice
23 of any claims as to other states that have not received such reports or notices.

24 V. CHANGE OF CORPORATE CONTROL

25 A. Teikoku shall notify the States Enforcement Council within thirty (30) days of

26 1) Dissolution of Teikoku;

27 2) Any final acquisition, merger, or consolidation of Teikoku; or

28 3) Any other substantial change in Teikoku, including, but not limited to,

1 assignment of a substantial portion of Teikoku's assets, or the creation or dissolution of
2 subsidiaries, if such changes might affect Teikoku's compliance with the obligations arising out
3 of this ASO.

4 B. Teikoku shall submit any notice required under this paragraph to the States
5 Enforcement Council or, at its option, to any party States as set forth above.

6 VI. ACCESS TO INFORMATION

7 A. For the purpose of determining or securing compliance with this ASO, subject to and
8 without limiting any legally recognized privilege, and upon written request with reasonable
9 notice, Teikoku shall:

10 1) Timely respond to and cooperate with the States Enforcement Council's reasonable
11 request for production of documents or information related to compliance to include unredacted
12 (except for privilege) internal written justifications and economic modeling;

13 2) Agree to accept service of process of any complaint filed hereunder provided it is filed
14 in the United States District Court for the Northern District of California and cooperation with
15 any subpoenas issued by the States Enforcement Council, and

16 3) Allow the States Enforcement Council to informally interview a reasonable number of
17 officers, directors, or employees of Teikoku who may have counsel present regarding such
18 matters.

19 B. The States Enforcement Council will seek to coordinate any requests for information
20 under this Section with the FTC and Department of Justice, if involved, to the fullest extent
21 possible. The States Enforcement Council agrees to coordinate any and all requests and designate
22 one State to forward such requests from the States Enforcement Council.

23 VII. COOPERATION

24 A. At the request of States Enforcement Council, Teikoku shall cooperate with the party
25 States in the Investigation as follows:

26 (1) To the extent practical, Teikoku shall make its employees available in the United
27 States in person, by video conference, or by such other means as the Parties may agree to, for
28 such interviews and affidavits as reasonably required by the party States;

1 (2) Upon request, Teikoku shall provide the last-known contact information for any former
2 employees;

3 (3) Teikoku shall produce at trial in person, by deposition, or by affidavit, whichever is
4 legally necessary, witnesses to testify as to the amount of their respective relevant sales and to
5 testify as to the genuineness, status as business records, and authenticity of documents;

6 (4) Teikoku will provide non-privileged evidence supporting the assertions made in the
7 July 30, 2015 presentation to the Federal Trade Commission Staff, which presentation was also
8 made to the States representatives on May 27, 2016.

9 (5) Notwithstanding anything in the foregoing, Teikoku will have no obligation to disclose
10 evidence provided to Teikoku pursuant to a joint defense agreement with Endo Pharmaceuticals,
11 Inc. and Actavis plc to the extent doing so would violate the terms of such agreement.

12 **VIII. MONETARY RELIEF**

13 The parties recognize that there is ongoing litigation between Teikoku and private class and
14 individual parties (the "Private Parties") pending in the Northern District of California before
15 Judge Orrick concerning the claims that are the subject of this ASO. In the event that Teikoku
16 and the Private Parties ultimately agree to mediation or engage in settlement negotiations, the
17 States reserve the right to participate in said proceedings. The Parties agree, however, that a
18 recovery the States may receive from participating in such proceedings and the injunction
19 contemplated herein shall be the States' exclusive remedy for any alleged violation by Teikoku
20 arising from the Lidoderm Settlement and License Agreement and that Teikoku does not
21 guarantee and shall have no obligation to ensure that the States Enforcement Council or the States
22 will be permitted to participate in such proceedings or that they will receive any monetary
23 recovery as any resolution between Teikoku and the Private Parties ("Private Resolution").

24 **IX. RELEASED CLAIMS**

25 In consideration of the injunctive provisions and the other commitments made by Teikoku
26 contained in this ASO, each State will be deemed to have fully, finally, and forever released
27 Teikoku and their officers, directors, employees, and attorneys (collectively "Releasees") from
28 antitrust and consumer protection claims that were asserted or could have been asserted, by the

1 State Attorneys General in his or her sovereign capacity as chief law enforcement officer of his or
 2 her respective state, arising from the Lidoderm Settlement and License Agreement. This
 3 agreement does not relate to or release criminal actions or any non-competition or non-consumer
 4 protection claims regarding Lidoderm, including but not limited to those regarding Medicare or
 5 Medicaid fraud, irregularities or false claims, off-label marketing, false advertising or product or
 6 product liability claims.

7 **X. EXPIRATION**

8 This ASO will expire on the date that is the earlier of 20 years from the date Teikoku signs
 9 this ASO or the expiration of the FTC SO.

10 **XI. OTHER**

11 A. The terms of this ASO shall be binding on, and shall inure to the benefit of the Parties
 12 and their successors.

13 B. If any clause, provision, or section of this ASO shall, for any reason, be held illegal,
 14 invalid, or unenforceable, such illegality, invalidity, or unenforceability shall not affect any other
 15 clause, provision, or section of this ASO, and this ASO shall be construed and enforced as if such
 16 illegal, invalid, or unenforceable clause, section, or other provision had not been contained herein.

17 **XII. DISMISSAL AND COSTS**

18 This action shall be dismissed with prejudice. Each party shall bear its own costs.
